

Want to have a good time doing something active that wasn't too expensive and didn't involve an 'i' anything ?

Then this is for you :

Come Dance the way the Irish do -
Learn to Set dance from

Patrick O'Dea

one of Ireland's
Premier Set Dance teachers !

But what is Set Dancing?

Set dancing is fast paced folk dancing to traditional Irish music. It is lively and can be as simple or complex as you wish to make it. Imagine a square dance on speed with music that will make your feet want to tap along. A caller, usually working with a group of live musicians, guides new and experienced dancers alike through a variety of dances. Normally Patrick teaches in Ireland but we are lucky enough to have him come to Portland (Think - No TSA ! No waiting for flights!) He loves to teach and beginners are his favorite dancers.

Come try it out - one night only!
